

MARTIAN RACE 2025

Arrival – by bicycle or on foot

The Race Village is located in McLaren Park and the three public access points are shown below. There are many ways to get across Horsell Common to the two entrances on the south side of McLaren Park and if arriving from the direction of Fairoaks Airport you can walk along Bonsey's Lane, which leads directly to McLaren Park.

There are bag drop facilities available alongside the Registration Desk. Both are staffed by Horsell Guides.

Cycles can be left on site but they remain your responsibility. There are no dedicated bike racks.
